Bilateral Meetings

- Thursday 15:00 - 18:00

Description
Mundiology SL is a Responsible Tourism company that offers advice, organization and management of travel experiences. Our rutes connect the traveler with the essence of the destination through sustainable tourism activities. The sale and assistance to the public is done online, and the coordination of the service is based on a management tool enabled in two versions: one for the Mundiology team, and one for the local partner.
