Offer & Request

Technology applied to the touristic sector

ZERO LIMITS MYGUIDOO: We looking for a partners to want to work together to launch our technology applied in Spain, to others destinations. This application provides the customer an enriched experience, which simplifies the slow process of preparing for your trip. The application offers to the users a set of the best routes in each area with pictures and explanations of each point of interest. All under the study of the maximum inclusivity.

If you want test it : Google play : Metrowalks

Tool applied to the Barcelona Council
